## You are my sunshine

You are my sunshine, my only sunshine,  
You make me happy when skies are gray.  
You'll never know dear how much I love you,  
Please don't take my sunshine away.

The other day, dear, as I was playing,  
I saw the day had turned to night.  
When I looked up, dear, I was astonished,  
The stars, they twinkled so bright.

You are my sunshine, my only sunshine,  
You make me happy when skies are gray.  
You'll never know dear how much I love you,  
Please don't take my sunshine away.

I love our universe, it makes me happy,  
With all its galaxies, planets and stars  
Wyoming eclipse, the sun's corona,  
And Mother Earth, that we all share

You are my sunshine, my only sunshine,  
You make me happy when skies are gray.  
You'll never know dear how much I love you,  
Please don't take my sunshine away.

## Oh What a Beautiful Eclipse

There's a bright golden haze on the meadow  
There's a bright golden haze on the meadow  
The spruce are as high as a grizzly bear's eye  
And it looks like it's climbin' clear up to the sky!

Oh, what a beautiful morning  
Oh, what a beautiful day!  
I've got a beautiful feelin',  
Everything's goin' my way!

Now the full moon is blocking the sunlight  
The full moon is blocking the sunlight  
The sky is so dark we now see the stars  
The corona's so pretty,  
let's sing a few more bars

Oh, what a beautiful evenin'!  
Right in the middle of the day!  
I've got a beautiful feelin',  
Everything's goin' my way!

Oh the sun shines again in the heavens  
The sun shines again in the heavens  
The sun's on my face and it makes my heart  
bright  
The Earth is a warmin' with all the sunlight.

Oh, what a beautiful daytime!  
Oh, what a beautiful day!  
I've got a beautiful feelin',  
Sunlight is shining my way.

## I see the Sun

*(To the tune of I See the Moon)*

I see the sun the sun sees me  
Down through the boughs of the old pine tree  
Please let the light that shines on me  
Shine on the one I love

I see the moon the moon sees me  
The moon takes a bite of the sun, you see  
Please let the light that shines on me  
Shine on the ones I love

I don't see the sun, where can it be  
Just a corona do I see  
Behind the moon, is the sun still free?  
To shine on the ones I love?

Now I see the sun, shining free  
radiant bright for all to see  
Please let the light that shines on me  
Shine on the ones I love

## Mr. Sun, Mrs. Moon

Oh Mr. Sun, Sun, Mr. Golden Sun  
Please shine down on me  
Oh Mr. Sun, Sun, Mr. Golden Sun  
Hiding behind the moon

We've come a long way to look at you  
To see your corona, and study it, too  
Oh Mr. Sun, Sun, Mr. Golden Sun  
Please shine down on me

Oh Mrs. Moon, Moon, Bright and Silver Moon  
Please shine down on me  
Oh Mrs. Moon, Moon Bright and Silver Moon  
Blocking the sun from me

The crickets are chirpin' the deer lie down  
The full eclipse, it shades the ground  
Oh Mr. Sun, Sun, Mr. Golden Sun  
Ain't no light on me.

Oh Mrs. Moon, Moon, Bright and Silver Moon  
In totality.  
Oh Mr. Sun, Sun, Mr. Golden Sun  
Show your diamond Ring

Oh Mr. Sun, Sun, Mr. Golden Sun  
Please shine down on  
Won't ya shine down on  
Please shine down on me.

## Twinkle Twinkle Eclipsed Star

Twinkle twinkle little star  
How I wonder what you are  
Up above the world so high  
Like a diamond in the sky  
Twinkle twinkle little star  
How I wonder what you are.

Bang and boom exploding star  
Hurling matter from afar  
Fusing atoms in your core  
Carbon, iron, many more  
Twinkle twinkle little star  
Now I know just what you are.

Twinkle twinkle nearest star  
Behind the moon now you're dark  
Up above the world so high  
Radiant crown up in the sky  
Twinkle twinkle nearest star  
We see your glory from afar.

Twinkle twinkle eclipsed star  
Now I sing of who we are  
Now I know we're made of light  
Now I know we sparkle bright  
Twinkle twinkle, little star  
We are all Light's avatars.
